This declaration of conformity is issued under the sole responsibility of the manufacturer.

We hereby confirm that the packaging materials specified above comply with the relevant requirements of Regulation (EU) 2025/40, insofar as they are applicable to the described packaging. This declaration is based on the conformity assessment performed and the technical documentation. The required test reports and certificates serve as the foundation for this.

We confirm that the sum of concentration levels of lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr VI) does not exceed the legal limit of 100 mg/kg in accordance with Art. 5 of Regulation (EU) 2025/40 (EN13428).

Recyclability: The specified packaging materials are recyclable in accordance with the provisions of Regulation (EU) 2025/40 (Design for Recycling). Compliance is demonstrated through adherence to the European standard DIN EN 13430 for material recycling based on established industry standards (such as the PTS method or CEPI guidelines) as well as the available material declarations provided by our suppliers.

REACH RegulationFurthermore, we confirm compliance with the REACH Regulation (EC) No 1907/2006, as amended, for the supplied materials.

Kirschweiler,

Kitty Homberg, Owner
