This declaration of conformity is issued under the sole responsibility of the manufacturer.

We hereby confirm that the packaging materials specified above comply with the relevant requirements of Regulation (EU) 2025/40 (PPWR), insofar as they are applicable to the described packaging. This declaration is based on the conformity assessment performed and the technical documentation.

Substance Restrictions & Compliance (Art. 5):

We confirm that the sum of concentration levels of lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr VI) does not exceed the legal limit of 100 mg/kg in accordance with Art. 5 Para. 4 of Regulation (EU) 2025/40. The presence of substances of concern within the meaning of Art. 5 Para. 1 PPWR is minimized to the lowest extent possible.

Recycled Content (Art. 7):

We confirm that the recording and documentation of the recycled content (Post-Consumer Recycling - PCR) is carried out on the basis of manufacturer and supplier verifications within the technical documentation in order to meet the requirements of Regulation (EU) 2025/40.

References to Applied Harmonised Standards or Common Specifications (Art. 6 & 10):

Compliance of the packaging materials with the applicable requirements is demonstrated through adherence to the European standard DIN EN 13430 for material recycling (recyclability of plastics), taking into account established recycler standards (e.g., RecyClass guidelines); fulfillment of the standard DIN EN 13428 regarding the minimization of packaging volume and weight, as well as the available material and conformity declarations provided by our suppliers within the framework of the technical documentation.

REACH Regulation:

Furthermore, we confirm compliance with the REACH Regulation (EC) No 1907/2006, as amended, for the supplied materials.

Kirschweiler,

Kitty Homberg, Owner
